

Addus HomeCare Promotes Monica Raines To Executive Vice President, Chief Compliance and Quality Officer

March 2, 2022 at 8:00 AM EST

FRISCO, Texas--(BUSINESS WIRE)--Mar. 2, 2022-- Addus HomeCare Corporation (Nasdaq: ADUS), a provider of home care services, today announced that Monica Raines has been promoted to Executive Vice President, Chief Compliance and Quality Officer, effective March 1, 2022.

Ms. Raines brings over 20 years of experience advising healthcare companies to this position, with 10 years of work dedicated to compliance in the provider setting. She joined Addus in 2016 and previously served as Senior Vice President, Chief Compliance and Quality Officer. Prior to joining the Company, Raines served as Chief Compliance Officer and General Counsel for a large provider of mail order durable medical equipment and pharmaceutical products and began her career at a nationally recognized law firm. She holds a B.A. and J.D. from Southern Methodist University.

Commenting on the announcement, Dirk Allison, Chairman and Chief Executive Officer, said, "We are delighted to promote Monica Raines to this important senior leadership role at Addus. She brings the right combination of direct compliance experience and regulatory legal background to this position as well as a strong working knowledge of our operations. Addus has experienced tremendous growth and success since she joined the Company and we are pleased to recognize her important contributions. As a leading provider of essential home care services, we understand the critical need for offering safe, quality care that meets healthcare regulatory requirements and protects the privacy of our patients. We are confident we will benefit from Monica's ongoing insight and expertise as we continue to execute our growth strategy and extend our market reach."

About Addus HomeCare

Addus HomeCare is a provider of home care services that primarily include personal care services that assist with activities of daily living, as well as hospice and home health services. Addus HomeCare's consumers are primarily persons who, without these services, are at risk of hospitalization or institutionalization, such as the elderly, chronically ill and disabled. Addus HomeCare's payor clients include federal, state and local governmental agencies, managed care organizations, commercial insurers and private individuals. Addus HomeCare currently provides home care services to approximately 45,000 consumers through 211 locations across 22 states. For more information, please visit www.addus.com.
