An online replay will also be available on the Company's website for one month, beginning approximately an hour following the conclusion of the live broadcast.

### **About Addus**

Addus is a provider of comprehensive home care services that include, primarily, personal care services that assist with activities of daily living and will provide hospice and home health services upon completion of the pending acquisition of Ambercare. Addus' consumers are primarily persons who, without these services, are at risk of hospitalization or institutionalization, such as the elderly, chronically ill and disabled. Addus' payor clients include federal, state and local governmental agencies, managed care organizations, commercial insurers and private individuals. At December 31, 2017, Addus provided home care services to over 34,000 consumers in 24 states through 116 offices. For more information, please visit [www.addus.com](http://www.addus.com).
